

# South Jordan Parks & Recreation 2011 Race Series Sponsors

We are currently looking for companies interested in becoming a sponsor for our 2011 Race Series. We would love to accept your sponsorship in a variety of different ways.

Cash donation, prize donation, product samples or coupons. We are willing to accept anything you can donate to make the race series the best it's ever been.

## **What's in it for your company?**

Your logo printed on 1500+ shirts; coupons, fliers and samples distributed in our race series bags; opportunity to place banners at the race location and other opportunities for getting involved in the series.

Not able to help with a donation?  
We are always in need of volunteers for our races.

SOUTH JORDAN
